

WANTING TO HIRE A FOUR WHEEL DRIVE VEHICLE?

Though NZ Adventures does not offer hire vehicles, many of our customers do hire 4x4 vehicles for the NZ Adventures Safaris. Even some of those customers who do own a 4x4 like to fly to the South Island to save time.

Overland and Rhodes Rentals, both in Christchurch specialise in rugged off road hiring. Their vehicles are suitable for all our Safaris, including the more ambitious Southern Lakes and Mackenzie Explorer tours. Overland can further equip vehicles with specialist off road tyres and other accessories.

The mainstream hire companies do not encourage rugged off road use and further specify certain dry weather routes like Skippers Canyon as no go areas. Highly capable vehicles like the Toyota Prado and Mitsubishi Pajero are however frequently used by our customers on the High Country Heritage Safaris, without problems. The High Country Heritage Safari is generally confined to graded farm roads, in dry conditions and does not use routes commonly excluded. A run through the car wash and quick wipe down inside before drop off will save on possible additional cleaning costs.

Hires generally commence and end in Christchurch, though a one way hire out of Queenstown is also possible. You will need to allow time either side of the tour. Approx times from/to Christchurch are: Hanmer Springs 2 hours, Blenheim 4-5 hours, Greymouth 3 hours, Queenstown 6-7 hours.

OVERLAND 4WD RENTALS: This company offer a variety of 4x4 vehicles including Toyota Prado and Surf out of Christchurch, with various equipment options and some specially set up vehicles. P.O. Box 13722 Christchurch, New Zealand Ph. 0800 493447 or Mobile 021 520832 www.overland.co.nz e mail. info@overland.co.nz
